

BOWMONT COMMUNITY PRESCHOOL

Fundraising

As a program, we rely on fundraising to support the unique programming that supports our community of learners. (family events, unique materials, ongoing educator learning etc., the ability to be responsive to the interests and needs of the community, field trips.) At the same time, we understand that not all fundraisers are for everyone. Therefore, we will offer a variety of options throughout the year such as:

- **Farm to School (vegetable orders that support the Calgary Food Bank)**
- **Special themed-based events.**
- **Children's art fundraiser**

Scholastic Canada Book Orders

We participate in monthly flyers from Scholastic Canada. By using our special classroom code when you make an order, you help us earn points that go towards growing our library and purchasing other materials for the classroom. It is entirely optional to participate.
