Toilet Training:

Toilet training is a sensitive time and we understand that this is a process that can take years for children to fully accomplish. Therefore, we do not expect your child to be completely potty trained to attend our school. Speak to a staff member if you have concerns about your child's level of training in this regard. We are happy to support you and your child at any stage of toilet training. Further, pull-ups are acceptable.

Note: if your child has a bowel movement "accident", a staff member will contact you to come change your child as we do not have facilities to support this.

Washroom Breaks

We ask that you please take your child down to the washroom prior to class beginning. This will help us to get started and ensure that your child is comfortable at our first story time. Our first bathroom break is within the first hour and then as often as needed throughout their time at school.

Fostering Independence

Preschool is an excellent time for children to learn new skills and to foster independence. Please send your child in clothing that does not impede their ability to use the washroom independently. The staff will assist your child where needed and model strategies for independence.
